

**Hello Future Educators,**

Welcome to the College of Education! My name is Jarren Reaney, and I am honoured to serve as the President of the Education Students' Society (ESS) for the 2025–2026 academic year. On behalf of the ESS, congratulations on your admission—you are about to begin an exciting chapter as you work toward becoming a future teacher, mentor, and leader.

The Education Students' Society is your official student government within the College of Education. We represent all education students—across years, programs, and diverse teaching areas. Our goal is to support you both academically and socially, ensuring that your time in the college is not only successful but also meaningful, engaging, and fun.

Throughout the year, the ESS offers a variety of services and events designed to enhance your experience as a student, including:

- **Professional Development Workshops (PDs)** to supplement your coursework and prepare you for life in the classroom.
- **Academic Advocacy**, where we work to ensure student voices are heard on key college decisions and concerns.
- **Locker Rentals** for convenient on-campus storage.
- **Social Events** such as mixers, trivia nights, and student meetups—great chances to relax and make new connections.
- **College of Education Merchandise** so you can show off your Ed pride!
- **Networking Events** that connect you with other students, faculty, and educators.
- **Graduation Banquets and Celebrations** for those in their final year.

We understand that post-secondary life can be overwhelming at times, especially in a program as hands-on and intensive as education. That's why one of our top priorities is building a welcoming and inclusive community where all students feel supported, seen, and connected. Whether you attend one of our PDs, join us for a social event, or simply follow along online, we're here to help you make the most of your time in the College.

To stay informed about all ESS news and upcoming events, make sure to follow us on **Instagram (usask.ess)**. Our social media is where you'll find event announcements, giveaways, updates, and everything in between.

Our office is located in **Room 1009**, directly across from the Education Student Lounge. Once the school year is underway, feel free to stop by and say hello—we're always happy to meet new faces or answer any questions you may have.

We truly believe that education is one of the world's noblest professions, and you are now part of a community committed to making a difference. We can't wait to walk alongside you as you begin this incredible journey. Welcome to the College of Education—we're so glad you're here.

Sincerely,

Jarren Reaney  
ESS President
